Good luck and keep up the good work.

Our girl's softball team is entering the second half of their season being placed in the silver division. This is great! We wish both teams continued good luck to both teams. Maybe we will have more good news at the end of the season.

CLUB ACTIVITIES

The 46th annual Banquet was a very good time. Congratulations to all of the Champions & Division Winners this year. Special congratulations go out to Sheri Sariego in receiving the Presidents Award. And to Gina Sciarra for receiving the Special Services Award. Without people like this who go over and above in helping this Organization in continuing to grow we would not be here today. Once again congratulations and thank you both for your time and efforts.

CLUBHOUSE SET BACK

For those of you that haven't heard, we have had a set back with Clubhouse project. The roof of the building has collapsed. Mike Greco has been in contact with the School District and Brian O'Neil's office. At this point in time this was not what we needed. Hopefully some good will come of this, Regretfully this will not happen overnight it may be some time before we have use of the Clubhouse. This is not good news for our ever growing Dance program. In the meantime, we will continue to use the Penn/Crisp Gym as much as we can and the stage at Thomas Holme School.
