This Newsletter is a special one. The Members of the Board, Individual Sport Directors and Coaches would like to take this time to ask our membership to join together to help celebrate the

40th ANNIVERSARY OF PENN ACADEMY A.A.

This alone is a major milestone. The past four decades have been dedicated to the growth and guidance of the youth in our community through athletic endeavors and has not been a simple task. There have been many ups and downs along the way. Through them all, we have always maintained that we are all here and involved not for ourselves, but for our children. This is not to say that the adults of the organization cannot enjoy the competition and rewards the children do. It has been through the continued efforts of the adults as coaches, class mothers for dance, fundraisers, and support with special events that has kept us going all these years.

With the New Year upon us, we need to continue the growth of our organization. Dance and Soccer continue to grow and stay strong. Our Basketball program has been growing over the past two years and this year we have a new Baseball Director in place and we expect nothing but good things to come.

We need to finish the demolition on the floor.

- Snack stand:

The interior work has to be completed on the new snack stand. The old blue trailer needs to be cleaned out and ready for removal.

- Batting cage:

Needs to be cleaned out and leveled so our Baseball/Softball teams will have full use of it.

These are just a few of the upcoming needs. Some things have a greater priority but all needs to be accomplished.

If everyone volunteers some time to help, we can make this happen and all of the jobs can be finished in time for their needs.
